

What's for Lunch?

What's For Lunch

is a community assisted meal program to help lost or abandoned animals that end up in our shelter. We are committed to providing the best care for our animals as they await their new forever home. For as little as **\$17.50** we can purchase a 50 pound bag of quality food for our dogs!

We Need your Help Now

For years the Humane Educational Society received donated dog and cat food from the M & M Mars plant in Cleveland. Unfortunately the local plant was shut

down. Since then we have had to purchase food to feed the animals at our shelter.

We enrolled HES in a shelter feeding program to get the best prices available for quality food for our animals. Each week, we order **43 bags and 10 cases of canned food** for our animals at a cost of almost **\$1,000** each week or **\$52,000** annually.

Our Promise

Through our **Getting to Zero™** program we have been able to end euthanasia in our shelter for treatable, adoptable and trainable animals. We made a promise to these animals to get them a home no matter how long it takes. Sometimes it takes months to find them a home and every day they need good food to keep them healthy.

Making a Difference

Everyone that donates to this program will receive a **Wishbone Pin** as a gift and a keep sake lunch ticket with a picture of the shelter animal you helped feed. On May 30, 2009 we will draw a name from all donors and the winner will receive **lunch for 4** compliments of the Humane Educational Society.

In addition to being enrolled in our drawing, you get the satisfaction of knowing that you are **making a difference** by helping these sweet animals pictured

and hundreds of others who have found themselves homeless through no fault of their own.

Donation Suggestions:

- \$17.50 – feeds 30 kittens for a week
- \$35 – feeds 14 puppies for a week
- \$50 – feeds 75 cats for a week
- \$100 – feeds 35 dogs for a week
- \$500 – 75 cats and 157 dogs for a week
- \$1000 – feeds all of our animals for a week!

No donation is too small...
